<p>Remarks: Attached is a copy of a memo which McMahon submitted to Logistics for 30 official spaces in the neighborhood of the Selective Service Bldg. I have talked to John about these and he has assured me that these are really and truly <u>official</u> parking spaces. In this connection, however, he has mentioned to me the fact that he intends to ask Logistics to pursue the possibility of leasing government spaces for the occupants of the Selective Service Bldg in the same manner that the Selective Service personnel have done in the past.</p> <p>I will ask McDonald to ride herd on this so that any course of action that we embark on will be symphonical with the rest of the agencies.</p> <p style="text-align: right;">m MJMalanick</p>
